

Scrub Shop Road Handbook

Complete Operational Procedures and Guidelines

VEHICLE MAINTENANCE

- Clean truck very good once per month
- Empty trash daily
- Sweep out camper & trailer once per week
- Schedule one day a month to go through all racks & Gondolas
- Tighten all nuts & bolts, maintain all receipts
- Keep good notes with needed maintenance/repairs

INVENTORY MANAGEMENT

- Be familiar with what's being loaded
- Make sure you get the correct colors per facility
- Inventory presentation: neat, orderly, and always separated by color and collection

PROPERTY CARE

- Treat company property as if it's mine & not yours
- Respect your truck, trailer, camper
- Immediately report any kind of incident - regardless how small

TRAILER OPERATIONS

- Go over schedule in advance
- Make sure you're being loaded with correct colors

SALES & MARKETING

- Make cold calls (10) weekly & document
- Help Chelsea with booking dates
